- Documentation – Completion and filing of all documents necessary to carry out the services and supplies requested, including but not limited to, death registration, burial permit, coroners certificate for cremation, documentation necessary to ship remains out of the country. Provision of 12 proof of death certificates from Tranquility. Please note: Our proof of death certificates are usually accepted for most estate settlement purposes, but sometimes a provincial “Certified Death Certificate”, will be necessary and is available from the Office of the Registrar General, or on line at [www.ontario.ca](http://www.ontario.ca)
- Transport remains – Transportation of remains from one place to another, for example the hospital to Tranquility, or Tranquility to the crematorium or cemetery. An additional fee may be charged if the transfer takes place outside of regular business hours for the initial removal from the place of death. That fee is \$250 additional. Our standard service vehicle (Van), is the vehicle used and not a funeral Coach or Hearse.
- Facilities to shelter of remains - Shelter of remains at our facilities from the time of initial transfer, until the time of disposition. There is no extra charge for longer holding times, with the exception of spring burial.

Prepayment is when you prepay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death. We offer two funding options when prepaying our services or supplies.

- **Trust** – You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when services and supplies are delivered) or the contract is cancelled.
