Please note: our proof of death certificates are usually accepted for most estate settlement purposes, but sometimes a provincial "Certified Death Certificate", will be necessary and is available from the Office of the Registrar General, or online at [www.ontario.ca](http://www.ontario.ca).
- **Transport remains \$150** – Transportation of remains from one place to another, for example the hospital to Tranquility, or Tranquility to the crematorium or cemetery. An additional fee may be charged if the transfer takes place outside of regular business hours for the initial removal from the place of death. That fee is \$250 additional. Our standard service vehicle (Van), is the vehicle used and not a funeral Coach or Hearse.
- **Facilities to shelter remains \$150** – Shelter of remains at our facilities from the time of initial transfer, until the time of disposition.

**Note: Possession of Cremated Remains and Refundable Deposit:** When cremation is selected, the Provider may require the purchaser to pay a refundable deposit of \$350. The Provider will retain the cremated remains for one year from the date of cremation. If the cremated remains are not claimed within one year, the Provider may inter the cremated remains in a cemetery, including in a common lot for which the cemetery is the interment rights holder, and the Provider may retain the deposit referred to in this section. If the cremated remains are claimed before they are interred, the operator will refund any deposit paid.
