Explanation of Services

- **Consultation with licensed staff \$500** – Professional consultation with licensed staff, including but not limited to expert advice on options to meet your needs
- **Documentation \$350** – Completion and filing of all documents necessary to carry out the services and supplies requested, including but not limited to: death registration, burial permit, coroners' certificate for cremation, documentation necessary to ship remains out of the country, provision of 12 Proof of Death Certificates from Tranquility. Please note: our proof of death certificates are usually accepted for most estate settlement purposes, but sometimes a provincial "Certified Death Certificate", will be necessary and is available from the Office of the Registrar General, or online at www.ontario.ca.
- **Transport remains \$150** – Transportation of remains from one place to another, for example the hospital to Tranquility, or Tranquility to the crematorium or cemetery. An additional fee may be charged if the transfer takes place outside of regular business hours for the initial removal from the place of death. That fee is \$280 additional. Our standard service vehicle (Van), is the vehicle used and not a funeral Coach or Hearse.
- **Facilities to shelter remains \$150** – Shelter of remains at our facilities from the time of initial transfer, until the time of disposition.

Note: Possession of Cremated Remains and Refundable Deposit: When cremation is selected, the Provider may require the purchaser to pay a refundable deposit of \$350. The Provider will retain the cremated remains for one year from the date of cremation. If the cremated remains are not claimed within one year, the Provider may inter the cremated remains in a cemetery, including in a common lot for which the cemetery is the interment rights holder, and the Provider may retain the deposit referred to in this section. If the cremated remains are claimed before they are interred, the operator will refund any deposit paid.

Payment

Unless otherwise specified, payment is due by the day the services are completed. Payment may be made by cash, cheque, debit, e-transfer, Visa, MasterCard or bitcoin. As of November 1st, 2022, we will be charging a fee of 2.4% on all credit card transactions for at need services, which is non-refundable in the event of a cancellation. Pre need trust terms of payment: We allow up to 5 years on a pre-authorized scheduled time payment. If death occurs within the payment period, the balance must be paid in full by the day the services are completed.

Prepayment

Prepayment is when you prepay for the services and supplies today, and the money will be used to pay for the services and supplies when they are delivered at the time of death.

- **Trust** – You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when services and supplies are delivered) or the contract is cancelled.
