- **Transport remains \$150** – Transportation of remains from one place to another, for example the hospital to Tranquility, or Tranquility to the crematorium or cemetery. An additional fee may be charged if the transfer takes place at a private residence, nursing home, long term care home, etc. . That fee is \$425 additional. There will also be an additional fee if the transfer takes place outside of our 75 km radius. This fee is \$3/km charged one way only. Our standard service vehicle (Van), is the vehicle used and not a funeral Coach or Hearse.

If the cremated remains are not claimed within one year, the Provider may inter the cremated remains in a cemetery, including in a common lot for which the cemetery is the interment rights holder, and the Provider may retain the deposit referred to in this section. If the cremated remains are claimed before they are interred, the operator will refund any deposit paid.
